HBADE Members,

We are buzzing with excitement over everything we have coming up! I can't wait for the leaves to change and the temperatures to cool, giving way to our fall events and ushering in a new administration in Delaware.

RECENT HIGHLIGHTS

We spent the month of August gearing up for a very busy fall! I was fortunate to attend the NAHB Association Management Conference where I spent three days learning from my awe-inspiring colleagues across the NAHB Federation. To say I'm energized is an understatement!

We recently announced our partnership with the Delaware Association of REALTORS® and the Delaware State Housing Authority on the Delaware Real Estate Summit. This premier event is your chance to delve into the past, present, and future of Delaware's real estate market. Mark your calendars to join us for engaging and insightful discussions!

WHAT'S COMING UP

Delaware's primary elections will be held Tuesday, September 10. The deadline to register to vote in the primaries has passed, but you have until October 12 to register to vote in the general election on November 5.

We've added an impressive amount of events to our website calendar. Be sure to visit hbade.org to keep track and to register!

UPCOMING EVENTS

- **Associates Council Mixer on September 12**
