HBADE Members,

It's over. We've made it to the other side of Election Day 2024. But if there's anything that we can take away from this election season, it's that our work is never really finished. Take a breath, and then let's get ready to roll in January.

RECENT HIGHLIGHTS

Election Night in Delaware was historic and we will see sweeping changes in our state's highest elected offices including a new United States Senator in Lisa Blunt Rochester, new Congressional Representative in Sarah McBride, new Governor in Matt Meyer, and new Lieutenant Governor in Kyle Evans Gay.

I am pleased to report that many state legislature candidates supported by our PAC were successful. However, now is when the real work begins. The success of our advocacy efforts is dependent upon you. As we enter a new cycle, I must impress upon you the importance of getting involved in our government relations efforts to help protect the future of our industry in this state. We will face an uphill battle, but we are up to the challenge.
